For over 27 years, we have published *Stained Glass News* and sold it to glass craft suppliers who have distributed it to their customers free of charge. However, we have found that many people pick up a copy of SGN while traveling or their stores have closed or no longer carry the paper, and they don't know where to get future issues. To continue getting your copies of SGN free of charge, we offer an up-to-date listing of distributors on our web site (www.StainedGlassNews.com/where).

If you can't find an SGN distributor near you, fill out the order form at the top of this page and return it with your check or money order (in U.S. funds) for a subscription. You will receive each of the next 5 issues along with the cover pattern.
